ASSURANCE
OF PURITY**

WHO WE ARE

Shivam Food Products was started in 1987, since then company has evolved as market leader in the Oil Category. We have been consistently Producing high-quality Mustard Oil for our customers all accross the globe, we have created a strong presence and exemplary reputе in the Indian Oil industry.

Trust, Honesty, and Reliability are part of our core values and are embedded in every aspect of our work. We consider customer satisfaction of utmost importance and strive to exceed expectations with the highest possible quality, through our state-of-the-art technology for Mustard Oil, Soyabean Oil, Ground Nut Oil, Sesame oil & Palm Oil.

VISION

Our Vision is to become the industry leader and consistently provide our customers with best possible edible oil in years to come.

MISSION

Our Vision is to gain a large share in the edible oil market and become the brand that clients can feel proud to be associated with

KACHI GHANI MUSTARD OIL

Our premium grade mustard Oil is manufactured from hand- picked mustard seeds, using a traditional process, but modern set up. This helps to retain the high pungency and the natural properties, enhancing the taste of the food. Highly preferred for healthy dishes, it is the perfect choice for cooking Indian delicacies.
